

Chao Lin, Jinjiang Zhang, Xiaoxian Wang, Tianli Huang, Bo Zhang, and Yunsong Fan, 2020, Himalayan Miocene adakitic rocks, a case study of the Mayum pluton: Insights into geodynamic processes within the subducted Indian continental lithosphere and Himalayan mid-Miocene tectonic regime transition: GSA Bulletin, <https://doi.org/10.1130/B35640.1>.

Supplemental Material

Table S1. Bulk element geochemistry and isotopic composition of the Mayum pluton.

Table S2. Zircon LA–ICP–MS U–Pb data for the Mayum pluton.

Table S3. Zircon in situ Lu–Hf isotopic data for the Mayum pluton.

Table S4. Data statistics for Himalayan Eocene and Miocene adakitic rocks.
