

Zhiheng Ren, Shuwen Dong, Yueqiao Zhang, Xuanhua Chen, Wei Shi, and Yu Zhang, 2022, Middle Jurassic intracontinental evolution of East Asia: Insights from the Tianshifu-Dongyingfang basin of the Liaodong Peninsula, NE China: GSA Bulletin, <https://doi.org/10.1130/B36373.1>.

Supplemental Material

Table S1. LA-ICP-MS zircon U-Pb data of the samples from the Tianshifu-Dongyingfang basin. The samples include sandstone and magmatic rocks, the U-Pb data of which were included in the same excel file, so “sandstone” should be deleted from the title.
